

Role-Based Step-by-Step Operational & Testing Guide

Complete end-to-end operational manual with verified interface screenshots for every platform persona, featuring the complete Tenant Application → Manager Review & Approval lifecycle and interactive in-app messaging.

1. Visitor / Public

Property search, featured listings carousel, viewings, and digital rental applications.

2. Tenant

Rental application (Steps 1–4), rent payments (Paystack), repairs, and live messaging.

3. Landlord

Portfolio oversight, 3–step listing creation, tenancy terms, and maintenance tracking.

4. Property Manager

Application review & approval, tenancy creation/activation safeguards, and vendor dispatch.

5. Vendor

Work order fulfillment, job status lifecycle, and itemized invoice submissions.

6. Administrator

System governance, user account management, analytics, and global policy controls.

Platform Architecture & User Directory

SYSTEM REFERENCE

Proplity provides a unified multi-tenant property management platform tailored specifically for the Nigerian real estate market. The platform seamlessly coordinates five distinct authenticated user personas alongside unauthenticated visitors.

Platform Persona	Primary Authentication Email	Password	Access Level / Scope
Visitor / Public	<i>None (Public Access)</i>	N/A	Public Portal Homepage, Listings, Viewings, Application Intake
Tenant	tenant@proplity.com	Password123!	Resident Rental Applications, Pay Rent, Maintenance, Live Chat
Landlord	landlord@proplity.com	Password123!	Property Owner Portfolio KPIs, List Property, Occupancy, Financials
Property Manager	manager@proplity.com	Password123!	Operator Review/Approve Applications, Lease Activation, Vendor Dispatch
Vendor	vendor@proplity.com	Password123!	Contractor Assigned Jobs, Job Progress, Itemized Invoice Generation
Administrator	admin@proplity.com	Password123!	Platform Admin User Moderation, Global Settings, Analytics & Reports

1. Visitor & Public Flow

UNAUTHENTICATED

1.1 Browse Public Portal & Featured Listings

/

Visitors arriving at the Proplity homepage can immediately view published, verified residential properties across prime Nigerian locations (Lagos, Abuja, Port Harcourt).

Figure 1.1: Proplity homepage with featured residential listings and search filters.

1.2 Interactive Property Preview Modal

Homepage Overlay

Clicking directly on any featured property card opens an interactive preview overlay without navigating away from the page.

Figure 1.2: Modal popup displaying room dimensions, amenities, and security ratings.

1.3 Deep Property Specifications & Neighborhood Scores

/properties/[id]

Clicking **View Details** navigates to the property's dedicated listing page with room photos and neighborhood scores (Security, Power Reliability, Flood Risk, and Road Access).

The screenshot shows a web browser window with the URL `http://localhost:3099/properties/f5340bff-4006-43e8-9a25-737be5a2a776`. The page is for 'Proplity AI-Powered Property Management'. The main content area features a large blue placeholder image on the left and a grid of three smaller colored squares (green, purple, and orange) on the right. The orange square contains a '360° View' button. Below the images, there is a 'Virtual Tour' button and the property ID 'ID #F5340BFF'. The property name 'Highland Park Residences' is displayed, followed by the address '12 Admiralty Way, Lekki Phase 1, Lagos', '1 Bedrooms', '1 Bathrooms', and '750 sq ft'. The rating is '4.0 (1 reviews)'. The description mentions 'modern apartments in Lekki Phase 1 with 24/7 power, security, and rooftop amenities.' On the right, the pricing is shown as '₦208,333 /month' and '₦2,500,000/annual'. There are date pickers for 'From' and 'To' with the format 'mm/dd/yyyy', and a button to 'Select dates to calculate total'.

2. Tenant (Resident) Flow

ROLE: TENANT

PRIMARY ACCOUNT
tenant@proplity.com

PASSWORD
Password123!

2.0.1 Account Type Selection

/register

Prospective tenants start at the self-registration portal, selecting the **Tenant** role card to initiate onboarding.

The screenshot shows a web browser window with the address bar displaying `http://localhost:3099/register`. The page has a light blue header with a house icon and the text "Create Your Account" and "Choose your account type to get started". Below this is a progress bar with two steps: "1 Account Type" (active) and "2 Your Details". The main content area is titled "I want to register as a..." and lists four account types in a vertical stack:

- Property Manager**: Manage properties on behalf of landlords. Premium (blue button).
- Landlord**: I own rental properties. Premium (blue button).
- Tenant**: Looking for or currently renting a property. Free (green button).
- Service Provider**: I offer maintenance & property services. Free (green button).

At the bottom of the form, there is a link: "Already have an account? [Sign in](#)".

Figure 2.0.1: Self-registration account type selection (Tenant role).

2.0.2 Profile & Employment Registration Form

/register (Step 2)

Tenant completes personal credentials: Legal Name (Chioma Okonjo), Email, Nigerian Phone (+234 803 555 1234), State (Lagos), Occupation (Senior Product Designer), Employer (Fintech Africa), and Password.

The screenshot shows a web browser window with the URL `http://localhost:3099/register`. The page title is "Create Your Account" with the subtitle "Complete your profile". A progress bar indicates two steps: "Account Type" (completed) and "Your Details" (current step, marked with a '2'). The form fields are as follows:

Field	Value
First Name *	Chioma
Last Name *	Okonjo
Email Address *	chioma.tenant@proplity.com
Phone Number *	+234 803 555 1234
State *	Lagos
Occupation	Senior Product Designer
Employer / Business	Fintech Africa
Password *	
Confirm Password *	

At the bottom, there is a checkbox labeled "I agree to the [Terms of Service](#) and [Privacy Policy](#)" which is checked. A small black circular icon with a red '2' is visible in the bottom left corner of the browser window.

Figure 2.0.2: Completed tenant registration form with Nigerian employment & contact details.

2.0.3 Email Verification Notice

Verification Dispatched

Upon submission, the platform issues an activation notice: "We've sent a verification link to *chioma.tenant@proplity.com*. Click it to activate your account, then sign in."

Figure 2.0.3: Account created confirmation and email verification prompt.

2.0.4 Secure Token Email Activation

/verify-email?token=...

Clicking the verification link validates the cryptographic SHA-256 token, marks the account as **ACTIVE** in the database, and presents the **Account Activated** confirmation.

Figure 2.0.4: Account activated confirmation screen with direct sign-in button.

2.0.5 First-Time Tenant Dashboard Landing

/dashboard

First-time login lands on the fresh tenant portal with a *"Welcome back, Chioma Okonjo!"* toast, quick-action shortcuts, and empty-state guidance to browse and apply for properties.

Figure 2.0.5: First-time tenant dashboard landing with welcome toast and empty lease state.

2.1 Resident Dashboard & Tenancy Overview

/dashboard

Upon signing in, tenants land on their personal dashboard showing their current property address, unit number, lease validity timeline, and quick-action cards.

The screenshot displays the Proplity Tenant Dashboard. At the top, the browser address bar shows 'http://localhost:3099/dashboard'. The Proplity logo and 'AI-Powered Property Management' tagline are on the left. A user menu shows 'Tenant' with a dropdown arrow. A green notification bubble says 'Welcome back, Jordan Hayes (Tenant!)'. The left sidebar contains 'My Dashboard', 'Browse Properties', 'Payment History', 'Messages', and an 'AI Assistant' section with a chat button. The main content area is titled 'My Rental Dashboard' and includes a welcome message. It features a 'Quick Actions' section with 'Generate Report', 'Message Manager', and 'Request Repair' cards. Below this are three summary cards: 'Current Property' (Highland Park Residences, Unit 4B), 'Rent' (₦3,500,000/annual), and 'Next Payment Due' (9/25/2026). A 'Property Information' section at the bottom lists the address and lease period. A 'Compiling' status indicator is visible in the bottom left corner.

2.2 Discover & Browse Properties (Verified Route)

/dashboard/discover

Tenants browse verified properties across Nigeria with filters for city, bedroom count, and budget. Accessible via the sidebar "Browse Properties" tab.

The screenshot displays the Proplity dashboard for a tenant. The top header shows the Proplity logo, the text "AI-Powered Property Management", a user dropdown menu set to "Tenant", a notification bell with 1 alert, a settings gear, and a user profile for "Jordan Hayes (Tenant)". The sidebar on the left contains links for "My Dashboard", "Browse Properties" (highlighted), "Payment History", "Messages", and an "AI Assistant" section with a chat button. The main content area is titled "Discover Properties" and features an "AI-Powered Search" bar with a sample query: "Try: '3-bedroom flat in Lekki, max #800k/year, ground floor, good security, near a school'". Below the search bar are filter buttons: "All Properties" (selected), "Verified Only", "High Trust Score", and "New Listings". Two property cards are displayed:

- Yaba Self-Contain Apartments**: Trust Score 84 (Excellent), Annual Rent ₦400,000. Address: 22 Herbert Macaulay Way, Yaba, Lagos. Features: 1 Bed, 1 Bath, 450 sq ft.
- Eko Atlantic Penthouse**: Trust Score 99 (Excellent), Annual Rent ₦6,000,000. Address: Plot 4, Marina District, Eko Atlantic, Lagos. Features: 4 Beds, 4 Baths, 2,800 sq ft.

Figure 2.2: Corrected Browse Properties catalog at /dashboard/discover.

2.3.1 In-Dashboard Property Showcase & Virtual Tour

/dashboard/properties/[id]

Tenant opens **Eko Atlantic Penthouse** directly within the resident portal. Features full photo gallery, 360° virtual tour, specifications (4 Bed, 4 Bath, 2,800 sq ft), neighborhood metrics, and direct tenancy application card without leaving the dashboard layout.

Figure 2.3.1: Seamless in-dashboard property presentation with specifications and rental application card.

2.3.2 Application Step 1: Personal Information

/dashboard/properties/[id]/apply

Tenant completes personal credentials: First Name (Jordan), Last Name (Hayes), Primary Phone (+234 802 345 6789), and Email.

The screenshot displays the Proplity application interface for a tenant applying to rent. The browser address bar shows the URL: `http://localhost:3099/dashboard/properties/.../apply`. The Proplity logo and tagline "AI-Powered Property Management" are in the top left. The top right shows a user profile for "Jordan Hayes (Tenant)" and a notification icon. The left sidebar contains navigation links: "My Dashboard", "Browse Properties", "Payment History", and "Messages". Below these is an "AI Assistant" section with a description and an "Open AI Chat" button. The main content area is titled "Apply to Rent" and shows the property "Eko Atlantic Penthouse" with a price of "₦6,000,000/annual". A progress bar at the top of the main area indicates four steps: 1. Personal Info (active), 2. Employment, 3. References, and 4. Documents. The "Personal Information" form includes fields for First Name, Last Name, Email Address, Phone Number (pre-filled with "+234 802 345 6789"), Date of Birth (with a calendar icon), and Nationality. At the bottom of the form are "Cancel" and "Next Step" buttons.

2.3.3 Application Step 2: Employment & Income Details

/dashboard/properties/[id]/apply (Step 2)

Tenant inputs employer (Chevron Nigeria), occupation (Senior Petroleum Engineer), monthly net income (₦3,500,000), and desired move-in date.

The screenshot displays the Proplity application interface for Step 2: Employment & Income Details. The browser address bar shows the URL: `http://localhost:3099/dashboard/properties/.../apply`. The Proplity logo and tagline "AI-Powered Property Management" are in the top left. The top right shows a user profile for "Jordan Hayes (Tenant)" and a "Tenant" dropdown menu. The left sidebar contains navigation links: "My Dashboard", "Browse Properties", "Payment History", and "Messages". Below the sidebar is an "AI Assistant" section with a chat icon and a button to "Open AI Chat". The main content area has a "Back to Property" link and the title "Apply to Rent" for "Eko Atlantic Penthouse • ₦6,000,000/annual". A progress bar at the top indicates four steps: 1. Personal Info (completed), 2. Employment (current step), 3. References, and 4. Documents. The "Employment Information" section contains the following fields: "Employment Status *" with a dropdown menu showing "Select status"; "Preferred Move-in Date *" with a date input field showing "mm/dd/yyyy" and a calendar icon; "Lease Duration *" with a dropdown menu showing "Select duration"; "Number of Occupants *" with a dropdown menu showing "1 Person"; and "Do you have pets? *" with a dropdown menu showing "No". At the bottom of the form are three buttons: "Previous", "Cancel", and "Next Step".

Figure 2.3.3: Step 2: Financial qualification and employment verification.

2.3.4 Application Step 3: Emergency References

/dashboard/properties/[id]/apply (Step 3)

Tenant submits mandatory emergency contact information (Adeola Hayes, Sister, +234 803 111 2233) and prior landlord history.

The screenshot displays the Proplity application interface for Step 3: Emergency References. The browser address bar shows the URL: `http://localhost:3099/dashboard/properties/.../apply`. The Proplity logo and "AI-Powered Property Management" tagline are in the top left. The top right shows a "Tenant" dropdown, a notification bell with a red "1", a settings gear, and a user profile for "Jordan Hayes (Tenant)".

The left sidebar contains navigation links: "My Dashboard", "Browse Properties", "Payment History", and "Messages". Below these is an "AI Assistant" section with a description and an "Open AI Chat" button. At the bottom left is a dark circular icon with a red notification badge.

The main content area has a "Back to Property" link and the title "Apply to Rent" for "Eko Atlantic Penthouse • ₦6,000,000/annual". A progress bar shows four steps: "Personal Info" (completed), "Employment" (completed), "References" (active, step 3), and "Documents" (step 4).

The "References" section includes a "Previous Landlord (Optional)" form with fields for Name (Adeola Hayes), Phone (+234 803 111 2233), and Email. Below this is an "Emergency Contact *" section with a "Full Name *" field.

Figure 2.3.4: Step 3: Emergency contact and landlord references.

2.3.5 Application Step 4: Documents & Submission

/dashboard/properties/[id]/apply (Step 4)

Tenant reviews document requirements (Government ID, Bank Statements), checks the terms agreement box, and clicks **Submit Application**.

The screenshot shows a web browser window with the URL `http://localhost:3099/dashboard/properties/.../apply`. The page is titled "Proplity AI-Powered Property Management". The user is logged in as "Jordan Hayes (Tenant)". The interface includes a sidebar with navigation links: "My Dashboard", "Browse Properties", "Payment History", and "Messages". An "AI Assistant" chat button is also present. The main content area displays document upload requirements: "Valid ID (Driver's License, Passport, or National ID) *", "Proof of Income (Recent Payslips or Bank Statements) *", "Employment Letter", and "Bank Statement (Last 3 months) *". Each requirement has a "Choose file" button. A note states: "Note: All documents should be clear and legible. Accepted formats: PDF, JPG, PNG (max 5MB each)". Below the notes, there is a checkbox for "I confirm that all information provided is accurate and I agree to the Terms and Conditions, Privacy Policy, and authorize a background and credit check." A tooltip points to this checkbox with the text: "Please check this box if you want to proceed." At the bottom, there are three buttons: "Previous", "Cancel", and "Submit Application".

2.3.6 Submission Confirmation Dialog

Confirmation Notice

A confirmation dialog confirms receipt: "Application submitted successfully! The property manager will review your application and contact you within 24–48 hours." Status enters PENDING.

The screenshot displays the Proplity dashboard interface. The browser address bar shows `http://localhost:3099/dashboard`. The dashboard header includes the Proplity logo, the text "AI-Powered Property Management", a "Tenant" dropdown menu, a notification bell with a red "1", a settings gear icon, and a user profile for "Jordan Hayes (Tenant)".

The left sidebar contains navigation links: "My Dashboard", "Browse Properties", "Payment History", and "Messages". Below these is an "AI Assistant" section with the text "Get instant help with payments, maintenance, and lease questions" and a blue "Open AI Chat" button.

The main content area is a submission confirmation dialog. It contains four file upload sections, each with a "Choose file" button:

- Valid ID (Driver's License, Passport, or National ID) *
- Proof of Income (Recent Payslips or Bank Statements) *
- Employment Letter
- Bank Statement (Last 3 months) *

Below these sections is a blue note box: "Note: All documents should be clear and legible. Accepted formats: PDF, JPG, PNG (max 5MB each)".

At the bottom of the dialog is a checkbox with the text: "I confirm that all information provided is accurate and I agree to the [Terms and Conditions](#), [Privacy Policy](#), and authorize a background and credit check." The checkbox is checked.

At the bottom of the dashboard, there are three buttons: "Previous", "Cancel", and a large green "Submit Application" button.

Figure 2.3.6: Submission confirmation and redirection to resident dashboard.

2.4.1 Tenant Messaging Portal & Thread History

/dashboard/messages

Clicking a conversation loads the real-time chat thread. The interface displays past message history, timestamps, sender initials, and communication channel details.

Figure 2.4.1: Loaded conversation with chat history and participant details.

2.4.2 Typing and Sending a Message Live in the UI

Interactive Chat Input

Tenant types a message into the input field: *"Hello Alex, I also wanted to check if there are any specific visitor parking regulations I should be aware of?"*

Figure 2.4.2: Resident typing a live inquiry in the messaging input field.

2.4.3 Real-Time Message Delivery

Live Sent Confirmation

Clicking **Send** immediately sends the message via `POST /api/v1/conversations/[id]/messages` and renders the blue speech bubble live in the chat history.

Figure 2.4.3: Real-time message bubble rendered in thread with delivery timestamp.

2.5 Payment History & Billing Invoices

/dashboard/payment-history

Resident payment ledger with dedicated, separate **Period** (billing cycle, e.g. Oct 2026, Sep 2026, Jan 2026) and **Description** (itemized repair parts and invoice notes) columns. Displays monetary breakdown, transaction reference IDs, settlement dates, and on-time performance metrics.

Password123!

4.1 Reviewing Pending Rental Applications

/dashboard/properties/[id]

Manager logs in, navigates to **Eko Atlantic Penthouse**, and scrolls to the **Rental Applications** card. The application from Jordan Hayes (Unit PH1) is displayed with **Approve** and **Reject** action buttons.

The screenshot displays the Proplity Manager interface. At the top, the browser address bar shows the URL: `http://localhost:3099/dashboard/properties/58bdc631-784d-49bc-8248-029e153e5f0c`. The Proplity logo and 'AI-Powered Property Management' tagline are on the left. The user is logged in as 'Alex Vance (Manager)'. The main content area is titled 'Eko Atlantic Penthouse' and includes a 'Has Vacancy' badge. Below the property name, the address 'Plot 4, Marina District, Eko Atlantic, Lagos, Lagos' is shown. The property features '4 Bedrooms', '4 Bathrooms', and '2,800 sq ft', with an annual rent of '\$ #6,000,000/annual'. A 'Trust Score' of 99 is displayed with the note 'No reviews yet'. The 'Units & Tenants' section shows 'Unit PH1' as 'Vacant'. The 'Rental Applications' section is titled 'Pending applications for units on this property'. The 'Listing Status' section shows 'Moderation' as 'PENDING REVIEW' and 'Visibility' as 'Published'. The 'Equipment' section states 'No equipment tracked yet.' and includes a '+ Add' button. A sidebar on the left contains navigation links: '+ List Property', 'Dashboard', 'Discover Properties', 'Tenants', 'Maintenance', and 'Messages'. An 'AI Assistant' chat button is also present.

Figure 4.1: Manager review console displaying Jordan Hayes' pending application.

4.2 Application Approval Action

Action: Approve

Manager evaluates applicant's qualifications and clicks **Approve**. The application status updates to **APPROVED** via **PATCH** `/api/v1/applications/[id]`.

The screenshot displays the Proplity AI-Powered Property Management dashboard. The browser address bar shows `http://localhost:3099/dashboard/properties/... (Approved)`. The dashboard header includes the Proplity logo, a 'Property Manager' dropdown, a notification bell with 2 alerts, a settings gear, and a user profile for 'Alex Vance (Manager)'. The left sidebar contains navigation links: '+ List Property', 'Dashboard', 'Discover Properties', 'Tenants', 'Maintenance', and 'Messages'. An 'AI Assistant' section offers help with tenant queries and rent tracking, with an 'Open AI Chat' button. The main content area features a 'Back' button and a property card for 'Eko Atlantic Penthouse' at Plot 4, Marina District, Eko Atlantic, Lagos, Lagos. The property card lists 4 Bedrooms, 4 Bathrooms, 2,800 sq ft, and an annual rent of \$6,000,000. It also shows a Trust Score of 99 with no reviews yet. Below the property card, there are three sections: 'Units & Tenants' with an 'Import Units (CSV/Excel)' button, 'Listing Status' with 'Moderation' (PENDING REVIEW) and 'Visibility' (Published) buttons, and 'Equipment' with an '+ Add' button. The 'Rental Applications' section shows pending applications for units on this property.

Figure 4.2: Application successfully approved by property manager.

4.3 Create Tenancy for Approved Applicant

/dashboard/tenants/add

Manager links the approved applicant to the vacant penthouse unit, configuring agreed annual rent (₦6,000,000) and lease dates. Clicking **Create Tenancy** creates the lease with status PENDING.

The screenshot shows the Proplity AI-Powered Property Management dashboard. The user is logged in as Alex Vance (Manager). The main heading is 'Add New Tenant' with a subtext 'Fill in tenant details and link to a property'. A progress bar indicates four steps: 1. Tenant Info (completed), 2. Link Property (current step), 3. Lease Details, and 4. Review. The 'Link to a Property' section prompts the user to 'Select the vacant unit you want to assign to Jordan Hayes.' Below this is a search bar and a list of properties: 'Yaba Self-Contain Apartments', 'Eko Atlantic Penthouse' (selected), 'Lekki Heights', and 'Highland Park Residences'. At the bottom, there is a section for 'Select a vacant unit' with a dropdown menu showing 'Unit PH1'.

Figure 4.3: Linking approved tenant to Unit PH1 at Eko Atlantic Penthouse.

4.4 Tenancy Activation (Two-Step Operational Safeguard)

/dashboard/tenants

On the tenants roster, the manager opens the pending tenancy and clicks **Activate Lease** once physical keys and contracts are finalized, marking the unit OCCUPIED.

The screenshot displays the Proplity Tenancy Management dashboard. The header includes the Proplity logo, a 'Property Manager' dropdown, a notification bell with 2 alerts, a settings gear, and a user profile for Alex Vance (Manager). The left sidebar contains navigation links: '+ List Property', 'Dashboard', 'Discover Properties', 'Tenants' (selected), 'Maintenance', and 'Messages'. An 'AI Assistant' chat button is also present. The main content area is titled 'Tenant Management' with a subtitle 'Manage your tenants and track rent payments' and an '+ Add Tenant' button. A search bar is provided for finding tenants or properties. Below the search bar are filters for 'All Tenants (4)', 'Paid (2)', 'Due Soon (0)', and 'Overdue (2)'. A table lists the tenants with columns for Tenant, Property, Rent, Status, and Next Due.

TENANT	PROPERTY	RENT	STATUS	NEXT DUE
Test Tenant2026 test.tenant2026@example.com	Highland Park Residences	\$ N2,500,000 /annual	OVERDUE	9/26/2026
Tunde Bakare tunde@email.com	Yaba Self-Contain Apartments	\$ N400,000 /annual	PAID	—
Adewale Johnson adewale.j@email.com	Lekki Heights	\$ N850,000 /annual	PAID	—
Jordan Hayes (Tenant) tenant@proplity.com	Highland Park Residences	\$ N3,500,000 /annual	OVERDUE	9/25/2026

Figure 4.4: Tenants roster showing pending tenancies awaiting lease activation.

4.5 Manager Real-Time Reply via UI

/dashboard/messages

Manager opens the conversation with Jordan Hayes and replies regarding parking rules. The message renders in real time.

The screenshot displays the Proplity dashboard interface. The top navigation bar includes the Proplity logo, the text "AI-Powered Property Management", a "Property Manager" dropdown, a notification bell with a red "2", a settings gear, a user profile for "Alex Vance (Manager)", and a share icon. The left sidebar contains a "List Property" button and a menu with "Dashboard", "Discover Properties", "Tenants", "Maintenance", and "Messages" (highlighted). Below the menu is an "AI Assistant" section with a description and an "Open AI Chat" button. The main content area is titled "Stay connected with landlords, tenants, and service providers" and features a search bar. A list of conversations is shown, including "Tenancy & Move-in Inquiries" (marked with a blue "T&" icon) and "Maintenance Dispatch — Apex ..." (marked with a green "MD" icon). The "Tenancy & Move-in Inquiries" conversation is selected, showing a direct message with Jordan Hayes (Tenant). The chat history includes a message from Jordan Hayes asking for confirmation of a move-in inspection for the penthouse on Friday at 10:00 AM. The manager's response, in a blue bubble, confirms the inspection and mentions meeting at the reception with keys and a condition checklist. The chat interface includes a "Type your message..." input field at the bottom and a send button.

Figure 4.5: Manager sending reply regarding guest parking bays.

5. Vendor (Service Contractor) Flow

ROLE: VENDOR

5.1 Vendor Work Order Dashboard

/dashboard

Contractors view assigned maintenance work orders and open jobs.

The screenshot shows the Vendor Work Order Dashboard for a user named Apex Repairs & Plumbing. The dashboard is part of the Proplity AI-Powered Property Management system. It features a sidebar with navigation links for My Jobs, Invoices, and Messages. The main content area displays a summary of the vendor's performance, including the number of active jobs, completed jobs this month, total earnings (MTD), and pending payments. Below this, there is a section for the vendor's profile, showing their name, ratings, and completion rate. A filter bar allows users to view jobs by status: All Jobs (1), Scheduled (0), In Progress (0), and Completed (1). The main job card displays details for a 'Kitchen Sink Leaking' job, including the property name, job ID, status (High Priority, Completed), payment amount, and tenant information. A 'View Details' button is available for each job card.

5.2 Job Completion & Itemized Invoicing

/dashboard/vendor/jobs/[id]/invoice

Contractors itemize labor and parts with live calculations and submit invoice.

The screenshot shows a web application interface for Proplity, an AI-Powered Property Management system. The browser address bar displays `http://localhost:3099/dashboard/vendor/jobs/.../invoice`. The application header includes the Proplity logo, a 'Service Provider' dropdown menu, and a user profile for 'Apex Repairs & Plumbing'. A left sidebar contains navigation links for 'My Jobs', 'Invoices', and 'Messages'. The main content area is titled 'INVOICE' and includes a 'Status' badge labeled 'Draft'. It specifies the job as 'Broken Water Pipe' and the date as 'September 26, 2026'. The 'FROM' section identifies 'AquaFix Plumbers' with their contact information. The 'BILL TO' section identifies 'Proplity Management' at 'Lekki Phase 1, Apt 203'. A 'Job Details' box provides the job ID and completion date. Below this is a table for itemized costs:

DESCRIPTION	QTY	RATE (N)	AMOUNT (N)
Labor Cost	4	3000	12,000
PVC Pipe (2m)	1	3000	3,000
Pipe Fittings	2	750	1,500

At the bottom left, a notification bubble indicates '2 Issues'.

5.3 Vendor Real-Time Job Update Message

/dashboard/messages

Vendor sends job completion update directly to property manager via UI.

The screenshot displays the Proplity AI-Powered Property Management dashboard. The left sidebar contains navigation links for 'My Jobs', 'Invoices', and 'Messages'. The main content area shows a chat interface for 'Maintenance Dispatch — Apex Repairs'. The chat history includes a message from Alex Vance (Manager) about a plumbing job for Lekki Heights Unit 203, a response from the vendor stating the plumber is on-site, and a follow-up message from the manager about an access code. The vendor's final message indicates that the P-trap and copper fittings have been installed and the invoice is being submitted. The chat interface includes a search bar, a list of conversations, and a message input field at the bottom.

Maintenance Dispatch — Apex Repairs Direct message

Maintenance Dispatch — Apex ... 9/26/2026 Direct message
Update from technician: Replacement P-tr...

Alex Vance (Manager)
Hi Team Apex, we have an assigned plumbing job for Lekki Heights Unit 203. The resident reported a leak under the kitchen sink.
9/26/2026, 12:09:28 PM

Received! Our lead plumber is in Lekki Phase 1 today and can be on-site within 30 minutes to inspect the drain fittings.
9/26/2026, 12:29:28 PM

Alex Vance (Manager)
Perfect, access code has been texted to the tenant. Please generate the itemized invoice through the portal once completed.
9/26/2026, 12:49:28 PM

Update from technician: Replacement P-trap and copper fittings have been installed. Work is complete and pressure tested. Submitting invoice now.
9/26/2026, 4:13:29 PM

6.2 User Management with Role Filtering

/admin/users

Filter users by Admin, Manager, Landlord, Tenant, and Vendor.

The screenshot shows the Proplity Admin interface for user management. The browser address bar displays `http://localhost:3099/admin/users`. The Proplity logo and "AI-Powered Property Management" tagline are in the top left. The top right shows a user profile for "System Admin" and navigation icons. A left sidebar contains links for "System Overview", "User Management" (active), "Reports", and "Platform Settings". The main content area is titled "User Management" with a subtitle "10 registered accounts". Below this are role filter chips: "All (10)", "Admin (1)", "Manager (1)", "Landlord (1)", "Tenant (4)", and "Vendor (3)". A search bar prompts "Search by name, email or phone...". A table lists the first seven users, each with a role chip (Tenant or Vendor) and a status of "Active".
